## **EKENECHUKWU OKEY-UDEJI PAUL**

I am a second-year computer science student with extensive knowledge of web development, database management, and technical applications utilised in a variety of educational and professional settings. I have a strong sense of motivation and drive for my work. I am eager to pick up new skills and help in the growth of your organisation.

WORK EXPERIENCE
Dwellings International Limited (October 2021)
<ul> <li>Assisted architects and designers with the use of computer-aided design (CAD), such as AutoCAD.</li> </ul>
☐ Developed and maintained a digital library of architectural plans and project files.
☐ Learned how to analyse and visualise spatial data.
☐ Learned how to improve efficiency by reducing data entry.
Accenture North America Data Analytics and Visualisation Job Simulation on Forage - June 2024
☐ Completed a simulation focused on advising a hypothetical social media client as a data analyst at Accenture.
